Honda CBX 750 | 1984

Old school motorcycle

Beschreibung:

1984 Honda CBX 750F Red – Exceptional Original Condition

A true icon of the golden era of Japanese motorcycles, this 1984 Honda CBX 750F is an exceptionally well-preserved example finished in its stunning original Red livery.

This motorcycle has been meticulously maintained and remains in remarkable condition, retaining virtually all of its original Honda Japan components—a rare find for a machine over four decades old. From the factory bodywork and instrumentation to the original details that collectors appreciate, this CBX represents authenticity at its finest.

Powered by Honda's legendary 747cc inline-four DOHC engine, the CBX 750F delivers the smooth performance, reliability, and unmistakable character that made it one of the most respected sport-touring motorcycles of its era.

Highlights:

* Exceptional original condition

- * Finished in the iconic factory Red color
- * Virtually all original Honda Japan parts
- * Carefully preserved and meticulously maintained
- * Strong, smooth-running inline-four engine
- * A rare opportunity for collectors and enthusiasts alike

Whether you're looking to add a centerpiece to your collection or own one of Honda's most celebrated classic motorcycles, this 1984 CBX 750F is a standout example that is becoming increasingly difficult to find in such authentic, original condition.

A true collector's motorcycle—timeless, original, and ready to be appreciated by its next owner.
